Welcome Letter

NSDTRC(USA) Region 1 welcomes you to our August 2021 field tests! We are inviting all other retrievers and poodles to enter and run the NSDTRC(USA) field tests at any level for practice (these will not count toward your club titles). Come have some fun!

A special thank you to Jim Bastedo owner of Frost Hill Farms for allowing us to utilize these beautiful grounds. Please help maintain the natural beauty of these grounds by picking up your litter. We would also like to thank our judges Francine Kaplan and Joe Martin, our committee, and all volunteers for helping to make this event possible. We ask that all handlers be willing to pitch in and help where needed thereby making it possible for everyone to enjoy the weekend.

Please cooperate with the members of the field test committee. They have been instructed to adhere to the running order as closely as possible; if you have a conflict or if you arrive late, please speak to a committee member immediately.

It is important that you watch the test dog and hear the judges' scenario and instructions so that you will understand the test and what is expected of you and your dog.

Dogs may NOT be entered in more than one stake each day. Camouflage or dark clothing is required of handlers, gunners and gallery.

Bitches in season are not allowed to run in the test and it is preferred that bitches in season not be on the test grounds at all. If unavoidable – bitches in season are to be aired away from the common areas and are not allowed in any of the testing fields.

No training dogs anywhere on the test grounds the day of and 24 hours prior to the start of the test.

***** SPECIAL NOTE REGARDING COVID-19 *****

Given the ongoing COVID-19 pandemic, all participants and officials will be expected to take extra precautions which emphasize safety over efficiency, including but not limited to:

1. Clubs, officials and participants are required to follow state and local guidelines that apply to the area where the event is held.
2. Practice social distancing consistent with local guidelines. Avoid congregating to the extent possible.
3. Consider wearing masks when in close proximity to others.
4. Consider wearing disposable or washable gloves.
5. Have plenty of hand sanitizers placed for people to use.
6. Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch).
7. If you utilize portable toilets, please ask for a hand washing station to be delivered as well.
8. Avoid shaking hands or hugging.
9. Avoid touching dogs that are not your responsibility.
10. Avoid common use pens/pencils-bring your own.
11. During the Judges description of the series, practice social distancing consistent with local guidelines.
12. Scheduling - Use a marshal's sheet to group dogs efficiently to minimize the number of handlers in holding blinds and on the line.
13. Suggest participants remain by their vehicles until just prior to their run if possible.
14. Marshal boxes should be equipped with hand sanitizer, disinfectant wipes, alcohol spray.
15. Any special instructions from the judges should be posted in the last holding blind.
16. Handlers should be invited to the line in smaller groups. Event Committee decides the group size given local guidelines and the size of the event.
17. The gallery should be spread out consistent with local social distancing guidelines.
18. Periodically disinfect holding blinds and equipment including ATVs and chairs. Workers should consider bringing their own chairs.
19. Anyone on the line should maintain adequate distance from the handler as blowing a whistle could potentially project a vapor.
20. Judges should bring their own pens/pencils. If possible, judges should bring their own equipment including chairs and coolers. Clubs should provide the judges hand sanitizer.
21. Wear gloves when handling birds and bird crates.
22. Event Secretary – Consider wearing gloves to handle paperwork and catalogs.
23. Awards ceremony - Hold outside if possible. Place ribbons on table or tailgate and invite handlers to come up to obtain their ribbon, no handshaking.
24. Parking areas – Park with sufficient distance between vehicles if possible
25. Hospitality area will not contain any community items such as condiments. Please plan to bring your own drinks and coolers.
