Welcome Letter

NSDTRC(USA) Region 1 welcomes you to our August 2023 field tests! We are inviting Golden Retrievers, Flat-coated retrievers and Labs to enter and run the NSDTRC(USA) field tests at any level for practice (these will not count toward your club titles). Come have some fun!

A special thank you to Jim Bastedo owner of Frost Hill Farms for allowing us to utilize these beautiful grounds. Please help maintain the natural beauty of these grounds by picking up your litter. We would also like to thank our judges Sherie Catledge and Joe Martin, our committee, and all volunteers for helping to make this event possible. We ask that all handlers be willing to pitch in and help where needed thereby making it possible for everyone to enjoy the weekend.

Please cooperate with the members of the field test committee. They have been instructed to adhere to the running order as closely as possible; if you have a conflict or if you arrive late, please speak to a committee member immediately.

It is important that you watch the test dog and hear the judges' scenario and instructions so that you will understand the test and what is expected of you and your dog.

Dogs may NOT be entered in more than one stake each day. Move ups are allowed. Please notify Test Secretary at end of first day. Camouflage or dark clothing is required of handlers, gunners and gallery.

Bitches in season are not allowed to run in the test and it is preferred that bitches in season not be on the test grounds at all. If unavoidable – bitches in season are to be aired away from the common areas and are not allowed in any of the testing fields.

No training dogs anywhere on the test grounds the day of and 24 hours prior to the start of the test.

NSDTRC(USA) will adhere to all AKC and Regional requirements in regards to Covid-19.

**** SPECIAL NOTE ****

“A dog must be registered with the American Kennel Club and documentation of AKC registration must be on file with Records to be eligible for Nova Scotia Duck Tolling Retriever Club (USA) titles. For dogs registered with AKC after May 1, 2000 that earn AKC titles and registration information is published in the AKC New Titles of Record Report, no copy of the AKC registration is necessary for club titles to be recorded; for dogs that earn a club field test title prior to any AKC titles, a copy of the AKC registration Certificate must be sent to Records for the title to be recorded”

By entering your dog(s) in this test all owners / handlers agree to the following Nova Scotia Duck Tolling Retriever Club (USA) Rules and Regulations:

I (we) acknowledge that the Rules and Regulations of the Nova Scotia Duck Tolling Retriever Club (USA) have been made available to me (us), and that I am (we are) familiar with their contents.
